IV. TUG HIRE CHARGES:

	Per Tug per hour or part thereof
FOREIGN VESSEL	US\$ 420
COASTAL VESSEL	US\$ 420
<u>CANCELLATION OF TUGS</u>	
FOREIGN VESSEL	US\$ 420
COASTAL VESSEL	US\$360
<u>DETENTION CHARGES:</u>	
<u>FOR EVERY HOUR OF DETENTION</u>	
FOREIGN VESSEL	US\$ 200
COASTAL VESSEL	US\$ 144

Note:

1. Tug Hire charges of a minimum of one hour shall be levied for every requisition. In case of detention of a tug beyond thirty minutes of the requisitioned time, the minimum tug hire charges for one hour shall be levied along with the detention charges applicable. The above charges shall be applicable from the time the tug leaves her moorings or previous duty, whichever is later to the time she returns to her moorings or attends to subsequent duty whichever is earlier.
2. The services of tugs will be made available only on written requisition submitted to the Port Authorities, duly specifying therein the purpose for which the tug is required.
3. The tugs shall not be hired except with the Port crew, and the charges set out in the table above include the cost of the service of the said crew and of fuel.
4. The services of the tugs shall be made available at the discretion of the Port Authorities.
5. If the services of the tug are made available not continuously but at different times to suit the convenience of the Port Authorities or due to circumstances beyond the control of the parties concerned, charges will be calculated by totalling up the broken periods of work and treating them as one continuous period up to the time the tug finally returns to her moorings or attends to subsequent duty.
6. Every requisition for availing the services of the tugs should be accompanied by the hire charges in advance
7. The hiring of tugs is not guaranteed normally. The Port shall not be responsible to the hirer for any loss or damage or injury to life or property arising directly or indirectly from the use of the tugs or delay in supply of the tugs or due to the failure of the tugs at any stage during the period of hire. The hirer shall indemnify the Port against all loss or damage or injury to life arising directly or indirectly from the use of the tugs during the period of the supply on hire to any property belonging to the port including the tugs or to any other person or property. The liability of the hirer shall not be affected by the fact that such loss or damage or injury to life or property may have arisen due to any act or default of any employee of the Port.
8. The decision of Chief Operating Officer (COO) GPPL, will be final in respect of any disputes arising in the matter of making available the tugs, manner and method of usage, and assessment of damage, etc., to the tug and any other equipment thereon.
9. In case of certain weather conditions the Master of the vessel requires the assistance of a tug to keep the vessel alongside during its operational period the charges mentioned above shall be applicable.

V. ANCHORAGE FEES

	Per GRT per day or part thereof
FOREIGN VESSEL	US\$ 0.04
COASTAL VESSEL	US\$0.02

NOTE:

1. This amount will be levied for the entire period of anchorage, i.e. from the time the vessel enters the anchorage. Anchorage charges shall be applicable for vessels carrying out any other operation (as decided by GPPL) at anchorage, but not applicable for vessels waiting for GPPL berths.
2. For the purpose of calculating period of stay of a vessel at anchorage, a day shall be reckoned as 24 hours from the time a vessel enters the anchorage. If vessel arrives at GPPL and in spite of availability of a berth, the Master opts not to berth the vessel for any reason (i.e. Option of Owner/Master/Charterer/ Agent/Shipper/Receiver), then anchorage charges as per Port Tariff is applicable.
3. The time at which the vessel vacates and sails out of the designated anchorage area will be counted for the purpose of the period for the levy of the anchorage fee. If vessel is detained for want of Port Clearance and is waiting at anchorage; then Anchorage Charges shall be applicable.
4. In the event of a vessel, which had stayed at an anchorage, after taking berth and returns thereafter either to the same anchorage, or to another anchorage, the number of days the vessel was away from the anchorage will be excluded. The period of occupation will be treated as a continuous period for computing the Anchorage Fees. If vessel is anchored at anchorage at owners / agent's option; then Anchorage Charges shall be applicable.
5. No vessel shall be liable to pay anchorage fees and berth hire for the same day if there is a shifting from anchorage to berth or vice versa. Only Berth Hire shall be payable for that day. If Inward Pilot Memo is not filed on arrival of the vessel; then Anchorage Charges shall be applicable.
6. Once a vessel has anchored off Port Pipavav and reported arrival and anchoring particulars, the vessel will be deemed to be at Pipavav anchorage and will be charged anchorage charges as per the port tariff.

a) Initial loading (shipping)	Full fees
b) Unloading (Landing) on return due to distress	Full fees
c) Reloading (Shipping)	Full fees
4. The Wharfage shall be levied on a minimum of 50 Kgs. In case of the cargo manifested in bulk, wharfage shall be levied on the manifested tonnage of the vessel cargo without insisting on any other shipping documents or invoices. In all other cases the Port Authority shall assess wharfage on the gross weight of goods as shown in invoices or as ascertained by actual weighment at the time of landing or shipping or any subsequent date. However, in case of bulk cargo, if the quantity ascertained by draft survey on arrival and departure of the vessel by the consignee/consignor is manifested in the statement of fact and if such quantity is higher than the manifested quantity, then the higher quantity shall be chargeable.
5. Wharfage on packages containing assorted or sundry goods shall be levied according to the most remunerative classification applicable to any item of the contents.
6. All Transshipment and re-shipment of goods shall be dealt with ordinary landing and shipping of goods and shall be subject to levy of fees on landing and shipping each time.
7. Full Wharfage shall be applicable on the cargo transhipped from one vessel to another vessel on the manifested quantity of such transshipment cargo.
8. Wharfage shall not be levied in the following specific cases:-
 - Goods consigned to the Port of Pipavav.
 - Passenger bonafide kits allowed by the steam ship companies without any charges.
 - Fodder accompanying livestock and not manifested as cargo.
 - Ship's sweeping provided that the entire cargo is landed at the landing place and satisfactory proof is produced to the effect that the sweeping form a part of the consignment for which the landing and shipping fee has been paid.
 - Sweeping collected from the jetties, wharves, sheds etc.
 - Cargo not manifested for transshipment, but merely transferred from one hatch to another of the same vessel.
9. In case the weight of cargo declared and charged for, is later discovered to be less than the cargo manifested, then penal wharfage at double the above listed rates will be levied by the Port.
10. The Wharfage shall be levied in the following classified cases as mentioned against each item in the following statement.

	Per MT
Gottwald / One B.M Titan crane	US\$ 1

* *Applicable Taxes Extra*

NOTE:

1. Advance application for crane hire should be made to the Operations Department, GPPL mentioning the number of hours the crane is required.
2. Allotment of a suitable crane will be at the discretion of Chief Operating Officer (COO), GPPL and ordinarily cranes will be supplied in order of requisition, but the COO, GPPL may deviate from the order if in his opinion circumstances justify such action.
3. The hire charges will commence from the time of dispatch of the equipment subject to maximum transit time of 30 minutes, provided the equipment so dispatched is made available for operation at the work site.
4. The port shall man and work the cranes only. The labour for slinging the cranes shall be supplied by the user/hirer concerned.
5. When cranes are required for longer period than requisitioned for, a fresh requisition shall be submitted at least one hour before the expiration of the period mentioned in the original requisition.
6. It must be ensured that the port's cranes work clear of ship's gear and of all other obstructions.
7. If a hook / crane different from the one requisitioned by a party is supplied to suit the ports convenience, charges applicable to the hook requisitioned shall alone be recovered.
8. If a notice withdrawing the requisition in respect of crane is not given to the Port Authority at least 3 hours before the time stated in the requisition application, a minimum of one hour's charges shown above against their respective category shall be levied.
9. The cranes and equipment are supplied on the condition that, the Port shall not take any responsibility for any loss or damage to life or property or break down of the equipment owing to any reason and that the liability of such loss/damage/break down shall rest with the user/hirers of the equipment. The users will be solely responsible for damage to equipment and Port property that may occur or result during the working of equipment as per requisition, on account of any reason such as overloading of crane, improper slinging of cargo etc. The user/hirer shall make good all damages (fair wear and tear expected) and pay the port all costs of repairing of damages and replacements actually incurred.
10. The hirer shall indemnify the port against all loss or damage or injury to life arising directly or indirectly from the use of the crane during the period of the supply on hire, to any property belonging to the port including the crane, or to any other persons or property. The liability of the hirer shall not be affected by the fact that such loss or damage or injury to life may have arisen due to any act or default of any employee of the Port. The hirer shall also indemnify the Port for all liabilities under the Workmen's Compensation Act.
11. When cranes are requisitioned for a specified number of hours but are made available not continuously but at different times to suit the convenience of the user, Port charges will be calculated as if the hire was a continuous period unless a demobilization request is given by the customer (as in number 8 above with a minimum period of 2 hours between two consecutive uses). Each utilization period will be rounded up to the nearest hour for the purpose of invoicing.
12. The Port Authorities can withdraw the equipment at any time for their own work during the period of requisition; however this period will be excluded from the period of hire.
