Dear Excellency:

The Maritime Industry Authority (MARINA) of the Philippines extends its greetings to the Secretary General and the Secretariat of the International Maritime Organization (IMO) and expresses its full support in your call to adopt and apply practical and pragmatic approach to ensure uninterrupted flow of commerce by sea at this unprecedented time.

It is noted that the IMO Secretary General, in his message to the Member States, implores the aid of the maritime administration to consider the seafarers as essential workers during this unprecedented time.

In view thereof, the Maritime Industry Authority (MARINA) has issued MARINA Advisory Nos. 2020-83 and 2020-88 that have effectively granted further extension of the revalidation period of STCW Certificates for a period of one (1) year from the date of expiry for those certificates which are expiring between 13 March 2020 to 31 December 2020 and 01 January 2021 to 30 June 2021, respectively, without the need to file for an application at the MARINA.

Relative thereto, the Philippines, through the MARINA, respectfully requests the assistance of the IMO to bring this information to the attention of all concerned through circulation of the attached MARINA Advisories.

Rest assured that the Philippines expresses its highest cooperation in your efforts to ensure continuous flow of commerce by sea amidst this pandemic.

With my highest esteem and warmest regards.
